

MERCHANTMAN RAMS FRENCH WARSHIP AND GETS CAPTAIN'S GOAT

Commander of the Descartes
Sought Vengeance with Fists,
Says Capt. Marcaida.

Fancy a modern warship being all but sunk by a humble merchantman? Picture in your imagination a speedy cruiser, armed with the finest guns, loaded with tons of ammunition, and manned by gallant men constantly seeking the elusive foe, taking the count after being swiped by a tramp steamer! Capt. Marcaida of the Spanish merchantman *Teleferra* told the story when he arrived at Quar-

RID STOMACH OF GASES, SOURNESS, AND INDIGESTION

"Pape's Diapiesin" ends all
stomach distress in
five minutes.

You don't want a slow remedy when your stomach is bad—or an uncertain one—a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapiesin is noted for its speed in giving relief; its harmlessness; its certain unfailing action in regulating sick, sour, gassy stomachs. Its millions of cures in indigestion, dyspepsia, gastritis and other stomach troubles have made it famous the world over.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any drug store and then if anyone should eat something which doesn't agree with them; if what they eat lays like lead, ferments and sours and forms gas; causes headache, dizziness and nausea; eructations of acid and undigested food—remember as soon as Pape's Diapiesin comes in contact with the stomach all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.—Advt.

antine to-day from South American and West Indian ports.

On Oct. 5, related Capt. Marcaida, the *Teleferra* approached the harbor of St. Lucia, British West Indies, at full speed to add to her general cargo for New York. On a darted a gray hulk, black smoke belching from her funnels, and made for the *Teleferra*. When Capt. Marcaida saw it was going to cross his bow he ordered his engines reversed, but it was too late.

The little tramp hit the French cruiser *Descartes* just below the port bow and staggered her. The warship began to list, but in a short time her officers saw she was in no danger of sinking. The Spanish vessel, not a plate sprung, stopped, and as soon as two launches could be loaded, the commander of the cruiser and about thirty or forty of his men came indignantly over to the *Teleferra*.

The French commander, almost bursting with wrath, accused the astounded Spanish skipper of being in league with the Germans and trying to sink the *Descartes*. He cast aside his sword and tried to use his fists on Capt. Marcaida, the latter declares. The crew jumped between them and prevented hostilities.

The *Teleferra* was escorted into port and detained two days, until the owners put up a bond to cover the damage to the cruiser. The *Descartes* was so badly damaged she had to be towed into Martinique for repairs.

FINDS LODGER A SUICIDE.

Unidentified Man Ends His Life by Gun.

A man about twenty-four years old, neatly dressed in a blue serge suit, but without baggage, rented a room for one day from Mrs. Della Mackay at No. 425 West Fifty-fifth street and was to have paid for another day or left this morning. When Mrs. Mackay went to learn her lodger's intentions, she smelled gas and opened the door. The young man lay on the bed and the gas was turned on.

A doctor was called from Polytechnic Hospital and pronounced the lodger dead. The dead body was taken to the morgue. The suicide had dark hair and eyes, was smooth shaven, about five feet six inches tall and had a laundry mark, "H. N. 527" on his white shirt. His pockets were empty. Mrs. Mackay said she did not ask his name when he engaged the room.

OUCH!

CAMBRIDGE, Mass., Oct. 23.—Any Harvard student who wants a tooth or teeth filled, removed or otherwise overhauled, "Pape's Diapiesin" of charge, may do so and at the same time furnish the Harvard Dental School with clinical practice. Patients will be asked to pay for materials only, according to an announcement in the *Crimson* to-day.

STABBED HIMSELF WITH POCKET KNIFE

Summerville Told Police He Was
Out of Work and Discour-
aged—A Prisoner.

A young man, dressed in expensive clothes of the latest cut, attracted the attention of Policeman De Hart at Sixtieth street and Fifth avenue early to-day. The policeman saw the man's vest was bloodstained and questioned him. The stranger said he had stabbed himself in the right breast with a pocket knife.

De Hart took the young man to the East Sixty-seventh street station, where he told Lieut. Hirmingham he was John Stetson Summerville, thirty years old, of No. 687 St. Marks avenue, Brooklyn, and that he had stabbed himself because he was out of employment and discouraged over financial matters.

Dr. Boyd of Flower Hospital said the wound was an inch deep and not serious. He was taken to the hospital, a prisoner, charged with attempted suicide.

A John Stetson Summerville was living with his wife. He was in the real estate and insurance business but was out of employment.

The Blyn Shoe

Fall Shoes for Every One Novelty Styles Predominate

The Fall season of 1914 has proven to be just one host of shoe novelties after another.

Scarcely any of the styles that were new in September are in the stores to-day.

The rapid changes of style test the facilities of the stores—demonstrates the many advantages of our big outlet for Blyn Shoes.

Shows also the alertness of our designers—the close touch between factory and stores for the production of newest styles with the economies effected by one management overseeing all.

Woolens Worth \$5.00 a yard, Suit or Overcoat, Custom Made to your order

\$10.00

ONLY ONE PRICE

My Headquarters 1431 Broadway. Open Until 10 P. M.

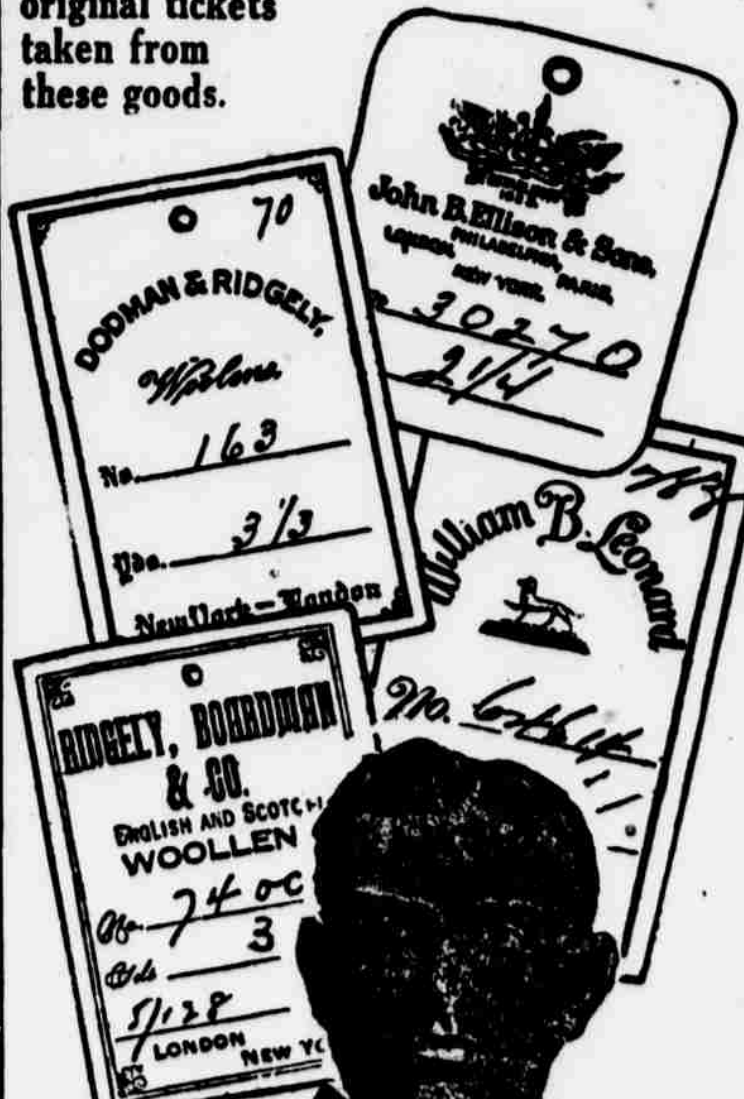

Morrison and Mitchell, Ithaca, N. Y., Cornell University Tailors, deciding to retire from the tailoring business, shipped their goods to me and allowed me to make my own price for cash. I buy the entire stock at my price. I want to assure the public of New York that history does not tell of a similar purchase. Loaded to the neck with woolens on an off season, these goods must be practically given away quick in order to show a slight profit. To prove to the skeptical, I will arrange a number of styles of these goods in my doorway so that you can see, handle and a willing salesman will be anxious to cut samples so you can compare with any suit sold in New York for \$40.00. My price will be \$10.00, no lower, no higher.

Blue Serges, Black and White Pencil Stripes; Tartan Plaids. Loud college styles one price, suit to order \$10.00; nothing higher in this range and nothing lower. I want all my old customers to come in early on this to get the better styles. I consider these \$40.00 suitings or overcoatings for which I will take your order for **\$10.00**

Custom Made Overcoatings. During the dull season I made up 2,000 overcoats, I have them all ready to wear out of my store. I guarantee them all wool. Black and blue overcoats ready to wear. **\$8.00**

Balmacaans, In the newest tweeds and chevrons. I have the finest designer in the business for this style coat and I made these up in my own shops in the dull season. My price, ready to wear out. **\$7.25**

A few of the original tickets taken from these goods.
